Fabienne van Leiden

As a recent Master of Science graduate in Industrial Design, I am now looking for new challenges. I am passionate about inspiring people and strive for this in my designs, presentations and other work. I believe that we, as creative professionals, can tackle the complex challenges we face in today's society in a more personal, engaging and inspiring way.

EDUCATION

MASTER OF SCIENCE - INDUSTRIAL DESIGN

EINDHOVEN UNIVERSITY OF TECHNOLOGY | FEB 2015 - JUN 2017

Specializing in service and experience design through design (research) projects in collaboration with various industrial partners and elective courses.

Graduated in 2017, Eindhoven, The Netherlands

BACHELOR OF SCIENCE - INDUSTRIAL DESIGN

EINDHOVEN UNIVERSITY OF TECHNOLOGY | FEB 2012 - FEB 2015

Exploring the area of Industrial Design through several projects and electives.

Graduated in 2015, Eindhoven, The Netherlands

HIGH SCHOOL - VWO (PRE-UNIVERSITY EDUCATION)

ZWIN COLLEGE | SEP 2005 - JUN 2011

Science and Engineering & Science and Health with Arts.

Graduated in 2012, Oostburg, The Netherlands

EXPERIENCE

GRADUATION DESIGN INTERNSHIP

FABRIQUE | AMSTERDAM | NOV 2016 - JUN 2017

Leading my graduation project in an international operating strategic design agency. A project for Scottish Ballet (UK) providing an innovative approach on audience engagement by involving the ballet dancers in the processes.

STUDENT ASSISTANT MASTER ELECTIVE POETRY IN DESIGN

EINDHOVEN UNIVERSITY OF TECHNOLOGY | EINDHOVEN | APR 2016 - AUG 2017

Co-lecturing and logistic assistance of prof. Patrizia Marti in the elective 'Poetry in Design' for Master Students at the Eindhoven University of Technology.

STUDENT ASSISTANT

EINDHOVEN UNIVERSITY OF TECHNOLOGY | EINDHOVEN | FEB 2012 - FEB 2015

Several activities as student assistant to support the faculty and inspire fellow students. E.g. student recruitment, mentoring, facilitate mini-symposia, hosting staff workshop events.

DESIGN INTERNSHIP

CVDBREMEN & CAPSTERS | EINDHOVEN | MAR 2014 - AUG 2014

Being part of an independent social design studio (CvdBremen) and international selling company (Capsters). Participate in local municipality projects with concept development to assist value creation. - [Website](#)

ACCOMPLISHMENTS
